

Buy now, spray later.

The sooner you order, the more you'll save on America's #1 mechanical drive sprayer!

2012 models in stock and ready to save you money!

The 2012 Apache offers 17.4% better fuel economy, 26% greater power ratio, 12% more floor space and 9% less cab noise compared to the 2010 model. Now available with factory-installed Raven or Trimble precision ag technologies.

Now, there's one more good reason to buy a new 2012 Apache sprayer—Apache's 2012 early order program. The sooner you commit to buying America's number one mechanical drive sprayer, the more money you save. And you can take delivery as soon as you'd like,

because we already have one here with your name on it. Even if you don't need to spray this year, think of the money you'll save buying now and spraying later. So ask the sprayer experts at Polen Implement about Apache's 2012 early order program. Call 866-469-2372 today.
